

# Take Charge of Your Health.

## Focus on What's Causing Your Problem

### With SpectraCell Comprehensive Preventive Solutions

**The SpectraCell Comprehensive Preventive Solutions** is a group of tests that deliver personalized solutions tailored to your health hereby helping to prevent, diagnose, and guide more effective treatment options. By addressing the root cause, rather than symptoms, it will empower you with the knowledge you need to take back control of your health.

#### The test kit includes a:

- Comprehensive Nutritional Micronutrient
- Cardiovascular (Lipoprotein Particle Profile, LPP®)
- Genetics (Telemore & MTHFR-Methylation)

#### **Why Spectra Cell Comprehensive Solutions?**

- Driven by science and inspired by patients
- Helps you discover your greatest health potential.
- Insights you can transform your health and decrease future healthcare cost
- Personalized approach that seeks to understand you—as a whole system, not just a fraction of your health status.

## Start Your Journey to a Healthier Future
