This is your medical history and screening form, to be completed prior to your first visit. All information will be kept confidential. This information will be used for the evaluation and management of your overall health. The form is extensive, but please try to make it as accurate and complete as possible. Please take your time and complete it carefully and thoroughly in the comfort of your home, and then review it to be certain you have not left anything out. Your answers will help us design a comprehensive plan of care that meets your individual needs.

If you have questions or concerns, we are here to help you complete this form to its entirety, but **you must make sure to arrive 30 minutes prior to your appointment time**. We realize that some parts of the form will be unclear to you. Do your best to complete the form. Your questions will be thoroughly addressed afterwards. It might be helpful for you to keep a written list of questions or concerns as you complete the following medical history and screening form.

By signing below, you acknowledge by filling out this form the information given is true and accurate. You also agree with the above written statement and that you have reviewed the HIPAA Notice of Privacy. A written copy can be provided at your request.
